

Hampton Speed Skating Club 2010-11 Annual Report

Membership

Hampton Speed Skating Club had a great year. This year we had many of our learn to skate members move into competitive skating. We also had many new skaters join our learn to skate program. Monday evenings were a great opportunity for some Saint John skaters to get some extra ice time. In total we had approximately 30 skaters.

Meet

The HSSC All Points Meet was held on February 19, 2011. We had a good attendance of approximately 100 competitive and exhibition skaters registered. This year we implemented the new regional race format with a 100m track. The races ran smoothly with few incidents. As a small club we rely on the help of all our sister clubs to make the meet successful. Thank you to all the volunteers who helped this day run so smoothly.

Coaching

Chris Carr and Miriam Verschoor had a very successful year coaching the competitive skaters. The Learn to Speed Skate program was coached by Chris Carr and Chandler Scott. Finally the Learn to Skate program was coached by Miriam Verschoor assisted by Nicky Scott. A huge thank you to all our coaches for the many hours volunteered and their great effort. This year we will say goodbye to Chris and Amy Carr as they move on to other activities with their children. We want to say thank you for their time and talents that the HSSC has benefited from.

A special thank you goes out to Peter Steele. The members of HSSC loved having him visit us on several Monday nights. The children enjoyed having him there and benefited greatly from his excellent coaching skills.

2011/2012 Board of Directors:

Our AGM was held on April 4, 2011. At the meeting, our new Board of Directors was selected:

President	Nicky Scott
Vice President	Vicky Magee
Registrar	Linda Myers
Coach	Miriam Verschoor/Andy Magee
Treasurer	Miriam Verschoor
Communications	Liz Evans
Equipment	Kevin Scott

Respectfully submitted by
Nicky Scott
President of HSSC
