

RESTIGOUCHE COMETS

2022-2023 ANNUAL REPORT

ISSUES

We did not achieve our goal of keeping at least two girls from our Girls: In action special program.

We broke even this season but were unable to make any extra funds through fundraisers. Unfortunately, Jeremy and I travelled a lot for Courtney's competitions and the CWG and therefore were not around a lot to organize any events.

NEXT SEASON

We plan to apply for another project through Sport NB for the Jan to Mar session.

Jeremy and I are looking to step down from our director positions with the club next season, if we can find replacements.

Still looking for speedskating coaches for next season.

We hope to convince our young skaters to compete more.

PROGRAMS AND REGISTRATION

LEARN TO SKATE • OCTOBER TO MARCH

Ages 3+

Oct to Dec – 10 registered skaters

Jan to Mar – 7 registered skaters

INTRO TO SPEEDSKATING • OCTOBER TO MARCH

Ages 5+

8 registered skaters

All non-competitive

GIRLS: IN ACTION • OCTOBER TO NOVEMBER (6 WEEK PROGRAM)

Ages 9+

5 registered skaters

GOOD THINGS

GIRLS: IN ACTION

We had a special funding to run this program. We had a good response. However, no girls registered for the regular Intro to speedskating program after this special event. The issue seemed to be with the practice date (Thursday nights)

CANADA WINTER GAMES

Our skater Courtney Charlong participated in the 2023 Canada Winter Games in PEI. Courtney trained full-time in Quebec at the Centre de Glace, however, continued to be part of our club and volunteered during Christmas and whenever she came home to visit.

Board of directors: President Mélanie Wood, VP Jérémy Martin, Treasurer Nathalie Bujold.
