

ISSUES

- New speedskaters not interested in competing
- Jeremy and I travelled a lot for Courtney's competitions and were not able to organize any events to boost interest in competitions
- Difficulty retaining skaters
- Broke even with registrations and ice rentals

NEXT SEASON

We plan to apply for another project through Sport NB for the Jan to Mar session.

Jeremy and I are looking to step down from our director positions with the club next season, if we can find replacements.

Still looking for speedskating coaches for next season.

We hope to convince our young skaters to compete.
